

This is a customer check list of the rules for operating our inflatable units after the initial set-up. Please abide by these rules as to you are responsible for the safety of the participants and the equipment that has been leased to you until the final tear-down process. Thank you.

<u>Lessee, Deliverer, and Equipment Information</u>	
Lessee Name	
Date	
Installer	
Equipment	

<u>Lessee Initials</u>	<u>Operator/Attendant and Lessee Responsibilities</u>
	I have been shown how the inflatable is secured to the ground
	I have been shown how to turn on/off the blower(s).
	In the event of high winds or rain, I have been instructed to remove all participants from the inflatable and turn the unit off.
	I have been instructed to not allow any horseplay, wrestling, or unsafe activities in or around the inflatable unit(s).
	I have been instructed to not allow any sharp objects, eyeglasses, jewelry, food, drinks, shoes, silly string (or like products) in or around the inflatable unit(s). <b>There is a cleaning fee for food, drinks, and silly string in the units of \$50 for bounce houses and combos and \$100 for slides and obstacle courses.</b>
	I understand that adult (18 and above) operators must be present while inflatable units are being operated at all times.
	I understand that children of the same age or size group may use the inflatable units at any given time.
	I agree to remove any persons violating the rules of use from the inflatable units.
	I have received both written and verbal instructions on safe operation on the inflatable units and agree to follow all safety rules.
	For rides with slides, I understand that riders are to..... <ul style="list-style-type: none"> <li>• Slide down feet first and no more than two (2) sliders at a time</li> <li>• <b>NO</b> climbing on the slide the wrong way</li> <li>• <b>NO</b> jumping on the slide area</li> </ul>
	In the event of Power Failure, Severe Weather Alert, or Medical Emergency please..... <ul style="list-style-type: none"> <li>• Exit patrons in an orderly fashion</li> <li>• Turn blower off and unplug at power source</li> <li>• Keep patrons and guests away from inflatable unit</li> </ul> Call appropriate emergency responders if necessary
	I have been given proper instructions at how the generator operates and understand it should be turned off when refueling.
	I have been given proper instructions as to how to operate the <ul style="list-style-type: none"> <li>• PopCorn Machine</li> <li>• Sno Cone Machine</li> <li>• Cotton Candy Machine</li> </ul>

I have been instructed in and understand the Operators/Attendants and Lessees Responsibilities and the Emergency Procedures listed above.
